50ml
treats
100 Litres

- Improves fuel economy
- Enhanced power & acceleration
- Reduced emissions
- Smoother running
- Cleans internal engine parts
- Enhanced engine life & corrosion protection

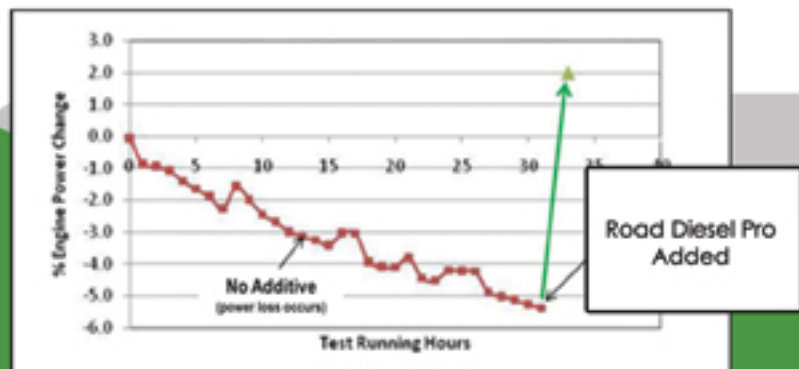

Delivering the best quality Diesel for you and your vehicle

OneShot Road Diesel Pro added regularly to your fuel tank transforms standard BS EN 590 diesel into the best quality diesel available. Many diesel engines automatically adjust their combustion to suit the quality of fuel being consumed. OneShot Road Diesel Pro provides improvements in fuel consumption, power and emissions across a range of vehicle operating conditions and mitigates problems that can occur when running on low grade diesel and biodiesel.

OneShot Road Diesel Pro is Euro IV compliant and contains high grade detergents, antioxidants, a cetane booster and improves lubrication of internal engine parts, providing a thorough clean and boost to your fuel and engine.

When premium quality and performance is required, OneShot Road Diesel Pro delivers and is THE best diesel fuel additive delivering maximum performance at a price that won't empty your pocket.

Available
in 50ml to 1L
bottle sizes

Reduces particulates & emissions

OneShot Road Diesel Pro should be added to the fuel tank prior to each fill up, ensuring your engine and fuel performs effectively and efficiently every mile.

A 1 Litre bottle of OneShot Road Diesel Pro treats up to 2000 litres of fuel!
